

## ACCIDENTAL DAMAGE WAIVER

The damage waiver applies to *accidental equipment breakage only*, not to lost, misplaced, stolen, or abused equipment. If the damage waiver is accepted, the rental shop will absorb the cost of repair of any damage to equipment incurred during its intended use. If you do not take the damage waiver, you will be charged for all damage whether accidental, deliberate, or caused by a third party.

**I have read and understand, and agree to the terms of this Accidental Damage Waiver**
