BEAKER RIDES AGAIN!

The battle for top UST honors is over

Laguna Beach, CA – The United Skim Tour (UST) represents the battle ground for professional skimboarders from all over the world. Eight grueling contests spread over six months keep both rider and spectator alike on the edge of their seat to see who will stand in the top spot on the winner’s podium in October.

This year proved to be a much tighter race than the previous as the UST had to cancel the Cabo contest and only counted six scores from seven events. Riders the likes of Bill Bryan, Morgan Just, Paulo Prietto, and Brad Domke were all fighting tooth and nail for the top spot.

It came down to the final contest on the tour, the “Oktoberfest” which was held on the south side of the Balboa Peninsula pier in Newport Beach, California. Entering into the day Bill Bryan was in second place on the UST and needed some help from Lady Luck to take home the UST title. With the tour leader being eliminated in the second round of the competition, the door was left wide open for the championship. Wave after wave was a battle and Bill took home fifth place in the Oktoberfest much to his chagrin. But was fifth place enough to bring home the championship? Yes it was!

“I just let everybody else soak up their time, and I took it home quietly,” Bryan said of his fifth place finish at the contest but first place finish of the UST tour. “I took three years off and I came back and put in 110% of my effort last year. I’m very proud to have solidified my legacy even stronger.”

The 2009 United Skim Tour Champion, for the second straight year, is Bill “Beaker” Bryan. Congratulations Bill on a hard fought tour and earned title of UST Champion 2009!
